APRIL 2010

Volume 38, Number4

Dear Members,

Welcome to Spring! I hope you all had a blessed and wonderful Easter.

A big congratulation and thank you go to Carleen Lorenz and Selma Snaring, our Cultural Directors, for a successful Heritage Day. There was a great mix of new presenters and those who have been valued participants from years past. Thank you to everyone who helped with this event. Your hard work made our lodge shine in the eyes of our guests.

Selma and Carleen also put on a very successful genealogy class, with 20 people in attendance. The new WIFI that was installed at the lodge last month was utilized for this class as well as on Heritage Day.

Many thanks to Don Fife and all who helped prepare the delicious corned beef and cabbage dinner that was enjoyed by all at our March lodge night. Thanks also goes to Liv Braaten for the beautiful and meaningful Memorial Service honoring those of our members who have passed away in the last two years.

Coming up in April our hard working Cultural Directors have put together a Hardanger class on the 17th. Marlene Bissell will be the instructor for this class. Look inside your Nyheter for more details.

As part of the Centennial Year celebration of District 2, there is going to be a 100th Anniversary Banquet. It will take place on May 20th at the Everett Holiday Inn. The cost is \$50 per person and reservations need to be made by April 15th. If you would like to attend please contact me and I will be sure to get you the information.

District 2 Convention will be May 19-22 hosted by Normanna Lodge in Everett. A Folk Art Competition and Exhibition will be part of the convention. Any member in District 2 is eligible to submit items for the competition. I encourage everyone to look through the list of categories to see if you have something that you have made that you can enter. I would love to see lots of items from Bothell Lodge in the competition. Look inside for more details.

Our April meeting will be on April 15th. Dinner will be a baked potato bar with lots of yummy toppings. We will be entertained by Katie Peterson and Joe Weihe, two members of the popular New Radio Cowboys. I look forward to seeing you there.

We are in need of someone to take the reins, so to speak, of our Annual Bazaar and Bake Sale. Marlene Bissell has asked to step down from this position. A big thank you goes to her for the success of our last 2 years events. Being the organized and efficient person that she is, she has compiled an extensive binder on what needs to happen when. This will make the new chairperson's job so much easier. Please seriously consider if YOU are the "someone" who will take on this position and then call me. Thank you!

Fraternally yours,

Wendy Wight, President

• **An entrant is allowed to enter a maximum of two articles in each category.**

If a waiver is not signed, the item will not be accepted.

Each category will have first, second, and third place ribbons awarded. A "Best of Show" ribbon/rosette will also be awarded. The viewing public will be invited to vote for their favorite and a "People's Choice" ribbon/rosette will be awarded. All participants will receive a certificate of participation.

If you would like further details or an application to enter your items, please contact Wendy Wight by phone (425) 482-0849 or by email wwwight26@verizon.net **All applications must be in by April 25th.**

SONS OF NORWAY

Life insurance provides a death benefit; money that your beneficiary can use for whatever purpose they choose.

Life insurance can help to:

Pay your last expenses, which may include estate taxes and burial costs.

Replace your income and help maintain your family's standard of living.

Protect your family's home by paying off the mortgage and other debts.

Pay others to do some of the tasks you do routinely, such as caring for a child or an aging relative, maintaining the yard or home, or providing the time to do these things oneself.

Ensure a child can afford college or a trade school.

Provide supplemental income for your spouse or partner.

Provide funds to settle an estate.

Pay expenses incurred to keep your small business in the family.

Many members have often asked me, "Jerry, how much life insurance do I need?" There's no single correct answer since the amount can range from 2 to 10 times your annual income depending on your personal needs. For your family's needs, call me for a Free Life Insurance Needs Estimate

It would be great if you could write down the event, the date and the location of the event, and the names of the people (in the order they appear in the picture from left to right) on the back of the photos. Thank you.

Syttende Mai Parade

Each year, on May 17, Norwegians fill their streets with cheers and flags in celebration of Norway's constitution, adopted in 1814. Many people wear the national dress, the bunad, on this occasion. The bunad varies in appearance from region to region and the magnificent sight of national costumes from all over the country is one of the reasons why this day truly represents a celebration of Norwegian tradition and history.

As a lodge we celebrate the culture and heritage of Norway. On Monday, May 17, we will be a part of the Syttende Mai Parade in Ballard. The parade begins at 6:00 in the evening. For us it will be a dual celebration. Our float will be decorated with a cake celebrating the 100th birthday of District 2 of which we are a part. We will also be giving away 100 Norwegian flags to parade onlookers.

You are invited to be a part of the parade. Some people will ride on the float and others will walk. The parade route is about 18 blocks long.

If you plan to be a part of the parade, we'd like to know. Please phone or e-mail Marion Vedell if you plan to participate and you will be included on the parade list. Phone: (425) 481-2612 or c.vedell@verizon.net.

There will be more complete details in the May newsletter as to what time and where to meet, etc. There will be car pooling from the lodge.

~Marion Vedell~

The Genealogy class was a success

Bunad Class Cancelled

We cancelled the Bunad class, March 23 and April 13 to 15, 2010. The required interest was not shown. We will attempt to have this class, hopefully, at a later date.

Mange tusen tak.

PARADE FLOAT

To honor and support the Sons of Norway 100 year Celebration, the Board has decided to have a Float in the Syttende Mai Parade with a cake, saying "Happy 100 Years". We will also hand out 100 Norwegian Flags along the route. We need help to get everything ready. The Flags arrived last week and we need someone to unpackage, unroll, and maybe a little ironing to make sure they are nice and flat when we hand them out. We also need help to build the Float and the Cake, prior to the day we decorate the Float. Please call Mike Nelson if you can be of any assistance. 425-486-5275

MANUAL LABOR PARTY

Our annual Manual labor party is fast approaching. It will take place **May 15, 2010 from 9:00am until done**. If you haven't marked your calendar, make sure you mark it now. The idea of getting a bunch of Lodge members and anyone else together to work on beautifying the grounds of our Lodge was started back in the Spring of 1987. It's an annual event and, for some reason, many of you look forward to coming to work and having fun. We have many coffee breaks and lunch is served around Noon. We work hard, play hard, eat well and end up with beautiful Lodge grounds for Wedding receptions, Birthday and Anniversary Party's and other celebrations at our Lodge. We plan on spreading some beauty bark, raking the flower beds, trimming some shrubs, planting some flowers and more. If there is something you would like to plant, cut, pull or change, give me a call, (425-486-5275) and we will try to get it on the schedule. Hope to see you on **May 15 at 9:00am**. Bring your favorite rake, hoe or wheelbarrow. We will provide the rest.

Thank you, Mike Nelson

MAY GENERAL MEETING MENU

We were looking for something easy to serve at our May General Meeting. We thought of Hotdogs, Hamburgers, and Beans with all the trimmings. That sounded good, but I decided to expand on it a little.

The Menu will be as follows:

Ma Mary's Sloppy Joe's
My Mini Wienie Wheels
Doctor Don's Beans
M.A.N.'s Potato Salad

And the most important part of the Menu is:

Pot Luck Dessert

TRUSTEE CORNER

I would like to thank Trustee Mike Nelson, who did the duties of Trustee of the Month, for the month of March. The Trustee of the month is to check the Lodge inside and out at least once a week during the month. He or she can check the Lodge at their convenience for possible problems, water leaks, doors or windows left open, trees or branch's down, if the heat has been turned down and all lights have been turned off. The **Trustee of the Month for April 2010**, will be Trustee **Chris Hicks**.

Thank You,

Mike Nelson, Lead Trustee

CONVENTION FOLK ART

COMPETITION AND EXHIBITION

Applications to participate in the Convention Folk Art Competition and Exhibition will be **available** at the lodge meeting on **April 15** for those interested. **April 25 is the deadline for the forms to be received** and it doesn't give people much time to put their stuff together. Carleen Lorenz will have the forms. You will find **more information on page 2** of the Nyheter.

NORWAY'S DOOMSDAY VAULT

Oslo, Norway

2010

Two years ago in the Norwegian archipelago, known as Svalbard, the Svalbard Global Seed Vault was opened. It has now amassed half a million seed samples and houses at least one-third of the world's crop seeds according to Cary Fowler who heads the trust that oversees the collection.

The Svalbard Vault is in a remote location 620 miles from the North Pole and is designed to withstand global warming, earthquakes, and nuclear strikes. The vault is a safeguard against the loss of seeds should a global disaster, whether natural or manmade, wipe out the world's crops. It is the only known vault of its kind.

Celebrate 100 years of District 2 Sons of Norway!

Why *Fram, forward into the future?* *Fram means forward in English!* The Sons of Norway continues to move forward into the future by developing programs to honor our ancestry and interest in historical and modern Norway.

2010 is the centennial of the consolidation and merger on 9 July 1910 in Grand Forks, North Dakota, of the Grand Lodge of the Sons of Norway of the Pacific Coast organized on 13 May 1903 with Sons of Norway organized on 16 January 1895 in the Midwest to become Sons of Norway with two districts. This logo commemorates the formation of District 2 which had lodges in Washington, California, Oregon, Idaho, and British Columbia. From 1913-1924 lodges in Montana were part of District 2. In 1952, the California lodges were transferred into the new District 6. Then in 1966, British Columbia lodges were transferred into District 7. We now have lodges in Alaska, Idaho, Oregon, and Washington with over 11,000 members.

Pacific Northwest forests provided the masts for the Norwegian ice ship, *Fram*. "She has voyaged further both north and south than any other surface vessel in history." August 2010 marks the 100th anniversary of the beginning of her historic voyage to the South Pole with Roald Amundsen and his crew.
